

## Job Opening for UEC Postdoctoral Research Fellow (Recruitment for FY2017 Round 2)

The University of Electro-Communications (UEC) invites applications for postdoctoral research fellow position for fiscal year 2017 (Round 2) in order to foster talented young researchers. The university aspires to recruit excellent young researchers who have just recently obtained a doctorate degree for the purpose to provide opportunities for conducting own research with independence. If you wish to take UEC postdoctoral research fellow position, please apply for this position by the procedure as stated below.

We also offer a postdoctoral research fellow position as “Restart Application” in UEC Postdoctoral Research Fellowship Program to support talented researchers who wish to restart their research even though they suspended their research for childbirth and(or) childcare.

Moreover please be informed that the philosophy of gender equality, as we make an endeavor to develop environments that make female researchers easier to work on campus, we welcome female applicants to apply for the positions.

### 1. Name of Position:

UEC Postdoctoral Research Fellow

### 2. Total Number of Position for “Standard Application” and “Restart Application”:

A Few

### 3. Eligibility:

#### (1) Standard Application

Applicants must be eligible to apply for JSPS Postdoctoral Fellowship for Overseas Researchers or JSPS Research Fellowship for Young Scientists (PD) during the contract terms as UEC Postdoctoral Research Fellow, and also satisfy the following conditions 1) and 2).

1) Applicants must be either those who have failed to be selected JSPS Postdoctoral Fellowship for Overseas Researchers or JSPS Research Fellowship for Young Scientists (PD) or who are planning to apply for this particular JSPS fellowship.

2) The host faculty members at UEC must ensure that the UEC Postdoctoral Research Fellows will apply for JSPS Postdoctoral Fellowship for Overseas Researchers or JSPS Research Fellowship for Young Scientists (PD) during the terms.

#### (2) Restart Application

Applicants must be eligible to apply for JSPS Research Fellowship for Young Scientists (RPD) during the contract terms as UEC Postdoctoral Research Fellows, and also satisfy the following conditions 1) and 2).

1) Applicants must be either those who have failed to be selected JSPS Research Fellowship for Young Scientists (RPD) or who are planning to apply for this particular JSPS fellowship. In either case, the applicants must have the endorsement from their host faculty members.

2) The host faculty members must ensure that the UEC Postdoctoral Research Fellows will apply for JSPS Research Fellowship for Young Scientists (RPD) during the terms.

(Note)

- If the UEC Postdoctoral Research Fellows will not apply for the JSPS fellowship during the terms, the duration of their employment will be shortened.
- The purpose of UEC Postdoctoral Research Fellowship Program is to enhance research capabilities of UEC by hiring talented researchers from other institutions. Therefore, in selection, those who obtained PhD degree from other institutions or work for other institutions will be prioritized. However, as for Restart Application, the researchers who have obtained PhD degree from UEC or worked for UEC are eligible to apply.
- A UEC faculty member must be a host faculty member when a UEC Postdoctoral Research Fellow applies for the JSPS fellowships.

4. Start of Employment:

October 1, 2017 or later at the earliest possible date
