Faculty Recruitment Section of Humanities and Social Sciences,

The University of Electro-Communications

Phone: +81-424-443-5541, E-Mail: jinbunsaiyo@bunka.uec.ac.jp

### **14. Others**

- All faculty members of UEC belong to the Academic Institute where individual faculty members are assigned to specific departments or centers.
- Based on an aim to engage in the target value that is described in the Council for Science, Technology and Innovation (Cabinet office, Government of Japan), the government is acting to achieve a ten percent increase in the number of young researchers under 40 years of age, and hopes to increase this number by over thirty percent in the overall higher educations for the future. UEC is recruiting well-qualified young researchers in order to foster them and accelerate their dynamic research activities. For more information, please refer to the following URL:  
<https://www8.cao.go.jp/cstp/tougosenryaku/index.html>
- To further promote gender equality and diversity measures, UEC endeavors to increase the number of female faculty members through an effort to ensure women-friendly working environment such as activities in consideration of work-life balance and supports for Research Career Advancement. For further information, please refer to the following link.
