

# UEC-ERATO Symposium

~ Optical Frequency Comb and Ultrashort Pulse Laser ~

**April 23, 2018, Monday**

**13:30 – 15:30**

**Room 301, 3<sup>rd</sup> fl. Bldg. E-3**

**The University of Electro-Communications**

**Chofu, Tokyo, JAPAN**

## Invited speakers

***Dr. Scott Diddams (NIST, USA)***

*“Broad bandwidth synthesis and spectroscopy with laser frequency combs”*

***Prof. Seung-Woo Kim (KAIST, South Korea)***

*“Advanced Optical Metrology and Fabrication using Mode-locked Lasers”*
