Dear Dr. Shimojo, Dr. Namiki, Dr. Ishikawa, Mr. Makino, and Dr. Mabuchi:

On behalf of the IEEE Sensors Council I am pleased to congratulate you, the coauthors of the *A Tactile Sensor Sheet Using Pressure Conductive Rubber With Electrical-Wires Stitched Method*, IEEE Sensors Journal, Vol. 4, No. 5, October 2004, for your paper being one of the 25 most downloaded Sensors Journal papers in the month of April, 2012. It is exciting to note that included in this count are all Sensors Journal papers published since its foundation, about 1000 papers in total. You can view all 25 papers at:

Thank you for your contribution to the IEEE Sensors Journal!

Best regards,

Vladimir Lumelsky
